Our Association has lost three pillars of our industry with the passing of John, Jack, and Denny. They all gave a tremendous amount of time and talent to manage, lead, and advance our association and to assist the industry to progress and innovate. They were highly regarded leaders in our asphalt community, and their service was profound and contributions large. They were shakers, movers, entrepreneurs, and visionaries. We mourn their passing and pray for blessings upon their friends and family.

*"We make a living by what we get, but we make a life by what we give."
- Winston Churchill*

These men gave us a great deal during their lives, and they will be fondly and long remembered for their outstanding service and devotion!
