2021 SHELDON G HAYES AWARD

2021 SHELDON G HAYES AWARD

In MEMORIAN

Donald E. Schrock

1952-2021

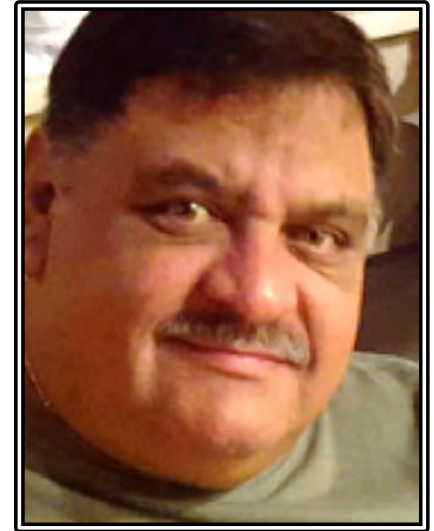

PAPA, PennDOT, and the PTC lost an asphalt materials guru and friend this past year. Don was heavily involved in task forces and initiatives in the asphalt pavement industry, most notably his development of the "electronic state books" that are used throughout the state by PennDOT and the PTC for asphalt mixes and aggregates. Don retired from the PennDOT as District 9-0 Materials Manager.

In MEMORIAN

John Rodriguez

1964 - 2022

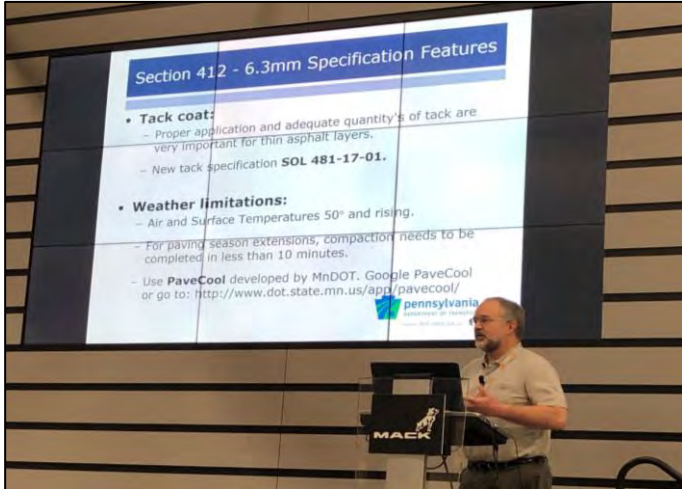

John was born on December 19, 1964, in Wilkes-Barre and reared in Plymouth, he graduated from Wyoming Valley West High School, playing football, baseball and wrestling and Penn State University, where he earned his Associate Degree in Engineering. He was employed for 36 years by Barletta Materials, Nescopeck as a Quality Control Supervisor. He was an active member of PAPA's Technical Committee for 30 years. His insight and expertise of all things asphalt pavement related were vast and he was always ready and willing to provide his input and assistance to make needs changes to specifications, tests, and policies. *PAPA extends their heartfelt condolences to his friends, colleagues and family.*
