

## Standing Committees

Our committee members are in the know on the latest regulatory topics.

Connect with other members and subject matter experts to share knowledge, get advice, or discover best practices. Our committees also help contribute to updated policies.

Safety Committee

Environmental Committee

Technical Committee

Associate Member Advisory Committee

We are a dynamic informed group of contractors, practitioners, researchers, and administrators who are experts in their respective fields. We are passionate about making the products and services we provide or manage more efficient, sustainable, durable, and safer.

**Pennsylvania Asphalt Pavement Association**

# Why join PAPA

**Member Benefits**  
Pennsylvania Asphalt Pavement Association

[www.pa-asphalt.org](http://www.pa-asphalt.org)

# OUR MISSION

Our mission is to promote and provide to our customers the best available asphalt pavement technology and to represent and serve the common interests of our members.

Our goals are to achieve a high level of quality products, foster excellent communication and cooperation with owner and regulatory agencies and with our companion trade associations. Promote asphalt to the public and transportation committees at the national, state, and local levels of government to obtain adequate funding for the highway infrastructure, and maintaining the integrity and sustainability of our vital industry.

“The **recognized voice** of the asphalt pavement industry in Pennsylvania.”

## Reasons to join the Pennsylvania Asphalt Pavement Association

- 1 **Asphalt Industry Liaison**  
PAPA staff have over 80 years of top level industry experience and meet frequently with PennDOT, PA Turnpike Commission, and other entities promoting quality asphalt.
- 2 **Education and Training**  
Members receive detailed information on State and National best practices and policies through various Association events at a reduced rate.
- 3 **Technical Assistance**  
Support on problems, issues, and concerns. Assistance in mix design, plant production, construction best practices, and resolving contract disputes.
- 4 **Publications and Specifications**  
Member review and response to state and federal laws, regulations, specifications, and policies. Remain up to date on the latest changes.
- 5 **Industry Coalition**  
Members are the finest collection of producers, contractors, suppliers, associates, and consultants engaged in delivering high quality asphalt pavements.
